

March 24, 2020

The HCA Board has voted because of the COVID-19 Pandemic, HCA will continue NTI (non-traditional instruction) through Friday April 17 and return to school on Monday April 20 if conditions allow. We know these are difficult times for everyone. HCA is going to try our best to continue your child's education as best we can using different techniques. Please be patience with us as we go through this process.

DO NOT DO SNOW PACKETS 9 & 10.

We will start new material on March 30- April 3 and April 13- 17 using NTI. Please contact teachers if needed.

New NTI packets and student books will be available to pick-up at the school Thursday and Friday from 7:30 – 4:00. Please DO NOT come in the school.

- Preschool will pick up packets in the back. Pull up to the crosswalk and someone will bring out your packet. Please stay in the pick-up line in your car.
- Elementary will pick up packets on the elementary side (tennis court side). Pull up to the crosswalk and someone will bring your packet out. Please stay in the pick-up line in your car.
- MS/HS will pick up in the front. Please stay in your car and call the school office (270-885-2417) and someone will bring your packet out to your car.

All test and quizzes are open note and open book. All work will be due when we return. Please work on this daily. Do not wait until the last minute to complete.

Please take time to pray for our country, community and each other.

Thank you and stay healthy.

Linda Garris

Headmaster
