# IMPORTANT NOTICE

Dear HCA Parents,

In preparation for the upcoming 2018-2019 school year, please take a moment to review the new Kentucky State Law regarding School Health Requirements for the 2018-2019 school year. This new law will impact **EVERY STUDENT** attending schools in Kentucky.

1. All students in grades K-12 must have two doses of the Hepatitis A vaccine. The Hepatitis A vaccine is a series of two shots that must be given six months apart. In order for the two shot series to be completed by August 2018, the first shot should be given in February. **MANY** health care providers and local health departments have been administering the Hepatitis A vaccines for the past **several** years, SO your student may already be compliant with the new regulations. Please **CHECK WITH YOUR STUDENT'S IMMUNIZATION PROVIDER** or the Local Health Department.
2. In Order to attend school, any student age 16 years old or older must **ALSO** show proof of having two doses of the Meningococcal vaccine. The first dose has been required for 6<sup>th</sup> grade entry, and **NOW** a booster is required at the age of 16.

**ALL STUDENTS MUST OBTAIN A NEW IMMUNIZATION RECORD THAT SHOWS HE/SHE HAS RECEIVED ALL AGE APPROPRIATE VACCINES. THIS WILL BE REQUIRED FOR AUGUST 2018 SCHOOL ATTENDANCE.**

## Physical Exams needed for the 2018-2019 school year:

The following students will need proof of a physical exam completed on a Kentucky Preventative Exam Form. Your child's primary care provider should have these forms in their office or you can stop by the front office to pick one up (A sports physical will not be accepted). **\*If your student will be in Pre-K3 or Pre-K4 August 2018:**

(Pre-K students must have a yearly physical, & vision exam.)

**\*For any student that will be in kindergarten August 2018:**

(Kindergarten students must have a physical and a dental exam)

**\*For any student that will be in sixth grade August 2018:**
