NTID- Non-traditional Instruction Days

Dear Parents,

In an effort to avoid extending the school year, the board approved the use of NTID packets better known as "snow day packets." NTID allows for the continuation of learning when school cannot be in session due to unforeseen circumstances (i.e., inclement weather, flu, etc.).

These packets will focus on skill development, content enrichment, or remediation. The ultimate result is less loss of instructional time and an increased ability to learn new content when school is back in session. Additionally, this plan will reduce the amount of days that must be added to the 2018-2019 calendar should school be called off excessively.

Delivery:

Both digital and paper/pencil lessons will be available for students in all grade levels. Enclosed are the packets for elementary students grades K-5. Middle/High school students will be given packets upon request for the following reasons: unavailability of internet access at home, no access to a printer. Please let your teachers know if you need printed copies (MS/HS).

Communication:

When a calling post message goes out upon the determination of no school, you'll be instructed as to what packet is to be completed.

Teacher Availability:

Teachers are required to maintain a minimum online presence (email, social media, Plus Portals, Remind, etc.) from 8-11 am and 12-3 pm. The forum choice is left up to each individual teacher.

Student Accountability:

Students will be required to complete **all** tasks assigned during a NTID and submit them the next day school is in session. Up to two days of extended time will be given to ensure students have enough time/guidance to complete their work successfully. These will be graded and the scores added to Plus Portals.

Questions:

Please contact your child's teacher(s) or the school with questions.

HCA (270)885-2417

Last year, the Board approved ten (10) Non-Traditional Instructional Days to use in case of inclement weather. If school is called off, the Calling Post message will include instructions as to which packet needs to be completed. Below are a few more details regarding the packets:

Snow Days Work Packet

Available on HCA website under “resources”.

www.hcahopkinsville.org

The completed packets are to be turned in upon return to school. IF an unforeseen issue arises i.e., no electricity, ran out of printer ink, etc. there will be an extension on the due date (at teacher discretion).

Printed packets are available from your teacher IF you do not have access at home or work to print them out.

Teachers may be contacted on snow days for assistance. They will get in touch with you on times and method of contact.
