# Tutoring

Some information from Mrs. Stefanie Hasert, a teacher certified tutor since 1994.

She's tutored 22 students from Heritage in the past and is ready for a new batch.

Stefanie's talent lies in teaching students who are reluctant to perform in school to become confident in reading, writing, spelling (all grade levels PreK-college) and math up to 7th grade.

She has much experience with dyslexia. If interested, she would love to talk to you to devise a plan for your child to become a stronger student. She is very familiar and experienced with the HCA curriculum and experience. She also can provide transportation for her first slot of the afternoon if you need help with that due to work.

Please call or text [270.305.6111](tel:270.305.6111) to set up a meeting.
