## Families of HCA

This afternoon, August 23, 2021, the mask mandate issued by Governor Beshear, was rescinded. As a result, the Board of Heritage Christian Academy has decided to return to the “mask-optional” status as of August 24, 2021. However, we have had to quarantine students in several grade-levels so far this year, so we want you as a parent to make an informed decision about masks for your student.

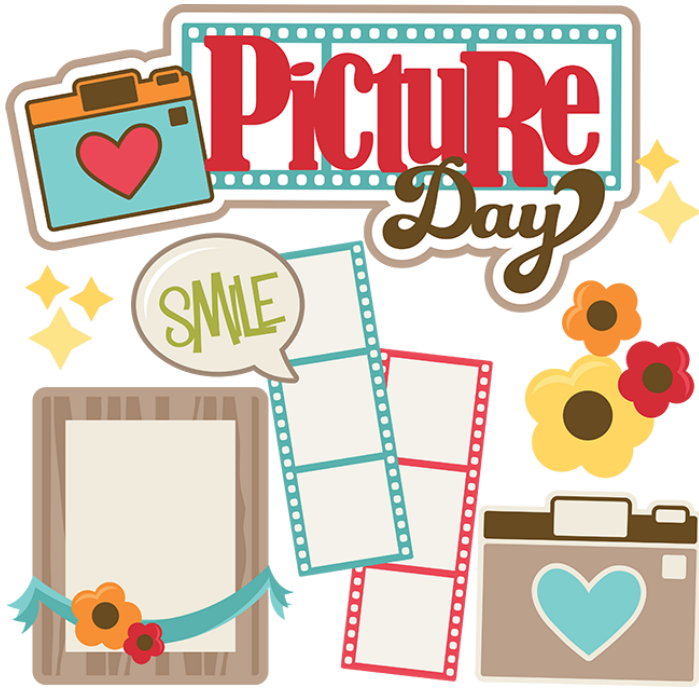

- 1) Teachers at HCA have tried to separate student desks to the greatest extent possible and arrange seating charts so that students maximized distance between each other. With the ability to return to “mask-optional,” we are encouraging teachers to be even more intentional with desk separation and seating arrangements.
- 2) Given the current quarantines at HCA, we have decided to have students eat lunch in their classrooms.
  - a. Visitors are still welcome for lunch – our lunch room is unoccupied at this time, so visitors, guests, and parents may eat with their students in there.
  - b. This is a temporary intervention and will be re-evaluated at the beginning of September.
- 3) Guidance from the KY Cabinet for Families and Human Services lists the following for quarantines of unvaccinated students:
  - a. Any student who is within 3 feet for more than 15 minutes (total time of all interactions within 24 hours) of a person who tests positive will be quarantined 10 days (standard supported by the Christian County Health Department)
  - b. Any student who between 3 and 6 feet for more than 15 minutes of a person who tests positive, and who is not wearing a mask, will be quarantined 10 days.
  - c. Any student who is between 3 and 6 feet for more than 15 minutes of a person who tests positive, and **both people are wearing a mask**, will not need to be quarantined.
- 4) People who have been fully vaccinated and who are not showing symptoms do not have to quarantine.

As stated earlier, we are going to maximize the space between desks in our classrooms and manage the seating arrangements so as to remain healthy at school and continue with in-person instruction.

\*HCA will be in contact with families who are currently in quarantine to update days from the new guidance.

\*The governing body the Preschool at HCA is the Department of Regulated Childcare. As of this time, no change has been made with regard to PreK masking, however as soon as an update is given, we will be in contact with parents to communicate that information.

**HCA school pictures will be  
taken this Wednesday,**

**August 25th**

**Please wear dress code or nicer.**
