On September 17, 1787, delegates to the Constitutional Convention gathered in Philadelphia to sign The Constitution of the United States. In the preamble of that document, they identify six ideal principles that would ensure the prosperity of the nation. In Acts 2:42, the early church employed four ideal practices that would enable the church to grow and the Gospel to go: “They devoted themselves to the apostles’ teaching and to fellowship, to the breaking of bread and to prayer.” Their efforts resulted in people being filled with “awe,” and many “signs and wonders” being performed. I expect that same result as the community of Heritage Christian Academy exercises those same practices. I appreciate the efforts of so many people who provide opportunities to grow and go, and I encourage each of you to take advantage of the opportunities at HCA, such as See You at the Pole (September 22nd), Parent-Teacher conferences (September 23rd-24th), the next Parent-Teacher Fellowship meeting (October 12th), the Harvest Festival (October 15th), the upcoming Teen Revival (October 17th), and cheering for all the students involved in a variety of athletics, clubs, and organizations. I am so proud to be an HCA Warrior!

Middle School Academic Team
