Ugly Christmas Sweaters- I have seen many throughout the years, though have never had the desire or, perhaps, courage to wear one myself. As the weather turns colder, and the desire to wear sweaters, ugly or otherwise, increases I would like to adjust our dress code slightly. After a series of emails with a parent, I brought the issue to the leadership team at HCA with the purpose of understanding the history of the sweater prohibition (for girls) and applying the general principles of the dress code to make an adjustment. At Heritage Christian Academy, the dress code exists to maintain modesty, professionalism, and uniformity (to an extent).

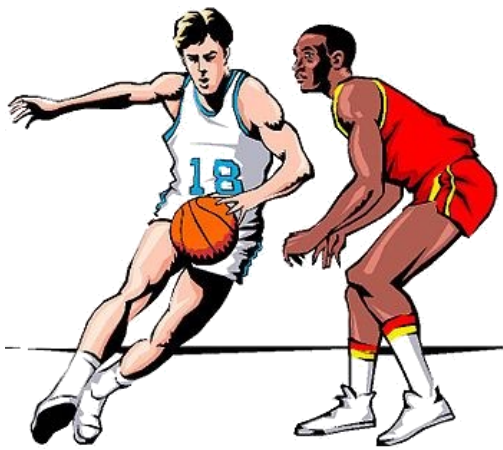

Using those principles with regard to sweaters, the adjustment to the dress code will allow all students to wear sweaters that meet the following criteria:

- ◆ Only crew neck or modest V-neck sweaters – no vests, no turtlenecks, no sleeveless, no zippers, no fleece pullovers except those with the HCA logo.
- ◆ HCA approved shirts must be worn under the sweater and must be tucked in (no shirt tails hanging beneath the sweater).
- ◆ HCA approved pants must be worn with the sweater- no sweater dresses and no leggings.

Assigning detention for dress code violations ranks among one the most uncomfortable tasks that the faculty of HCA performs. Please help us out by making sure students are dressed appropriately before school each day, and by making sure students are not trying to push boundaries with dress code. As much as we want to have clear guidelines, sometimes the staff is forced to make a judgment on clothing choices because a student attempts to circumvent the expectations. We certainly appreciate all you do for the students of HCA.

So, break out those ugly Christmas sweaters and wear them to your heart's content! I will politely pass; as Scrooge told his nephew, "keep Christmas in your way, and I'll keep it in mine."
