“Tis the season of love” – or so they say. Ancient historians have debated the identity of the original St. Valentine, most choosing between two men, both beheaded by the Emperor Claudius II at different times in the third century. Throughout history, though several men have accepted the title St. Valentine, including one pope. According to an article on History.com, though, the association with romantic and platonic gestures of kindness did not appear until after Geoffrey Chaucer made in the connection in a fictional work entitled, “A Parliament of Fowles.”

In the modern era, traditions of Valentine’s Day include sending flowers, stuffed bears, candies of all flavors, and cards- many of which include a simple invitation: “Will you be mine?” or “Be my Valentine.” Sometimes, simple invitations are all that is needed to make a significant impact in the life of another person: an invitation to lunch to catch up with an old friend, an invitation to an event or activity to help someone join a new social group, an invitation to a celebration to honor the life of another person, or an invitation to be a baptized follower of Jesus Christ.

In just a few weeks, Heritage Christian Academy will host the annual Open House. Families with an interest in the quality education that we provide and the environment in which we provide it have an opportunity to walk the campus and interact with staff and students. A simple invitation may be all it takes for the children in a new family to change the world through the experience of HCA. A simple invitation - that you send.

This past week, invitations were given to each homeroom teacher to distribute to students who then can share them with others who may be interested in HCA. I believe strongly in the spiritual mission and the educational methods of HCA, and I hope that you do as well – enough to share with others the opportunities that await at HCA. Open House is March 1st from 5:00-7:00 PM. My prayer is that God raises our enrollment to 525 students for the 2022-2023 school year. This is where it begins – a simple invitation!

(All of the historical information can be found in an article entitled, “6 Facts about St. Valentine” written by Elizabeth Hanes (2014; updated 2022) on History.com).
