As an educator I find it ironic that short weeks of school tend to last longer in my mind than full weeks of school. Perhaps it is the return to routine after a long weekend, or the anticipation of an early release that increases anxiety. Moreover, the

school calendar between President's day and Spring Break has no built-in breaks, and with no inclement weather, means a solid period of uninterrupted instruction. Authors who study educational patterns, say that at this time in the school year, students should be performing at their highest and producing their best work. With that in mind, let us approach the next few weeks with diligence, remembering the words that Paul wrote to the Galatians, "Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up." While I have connected this Scripture to educational endeavors, the original context focused on living the Spirit-filled life and taking every opportunity to help those around us. Something for us all to consider.

On Friday, March 18, the PTF will be hosting a Fun Run during the school day for all students to participate. This will serve as a fundraising event to raise money for new playground equipment. Students in Pre-K through 5th grade will have a Fun Run. Middle and High students will participate in a Color Run in which colored powder will be sprayed on them during the run.

Prior to the day of the event, we will be asking students to reach out to family, friends, and community members to get sponsors for the run. Sponsors may donate any amount they choose toward our event. All students, regardless of how much money they raise, will participate in the Fun Run. The kick off date for raising funds will be on Monday, March 7th. Students will receive information packets with details about getting donations for this event.

In addition, PTF will be awarding prizes throughout the 2 week period for participation. Stay tuned for more information on how you can win!
