## CALLING POST NUMBERS

When we use the Calling Post, we must pay for each phone number dialed. For this reason, we request that only one number be used per family. Please pick the best number and submit that number. If you have requested another number be added, please note that the school will use the last number submitted. In other words, we will change the number currently in the system to the one you want added. The less calls we make, the cheaper it is for the school.

## THANK YOU SEAY OIL CO.
